Your clients communication to the court insinuated that counsel had not responded to the judge. I think that to be untrue. Again you could stp further miscommunications **if you would step in and be counsel**. You knew the date had been 'set'

Wendy,

I guess we just have a different opinion on notice. This communication says to me notice will be sent and I do not have it.

Please forgive me for not calling today but I ended up picking a jury and will be in trial for a few days. I will call you when I am out regarding the injunction.
