Did you send me some attorney-client correspondence? Really wally, this is clearly dan's stuff. And I wish you would quit letting him practice law under your license. I am not saying that you have done anything WRONG just not very smart. And you need to quit filing stuff that assumes things. I did not present the court nor did I ex parte the court of either of the orders you (dan) accuse me of doing. You would be better positioned if you would read what dan drafts and question him as to his source. I am no longer offended by it, just sad for you

Wendy,
Its just the wrong attachment.
I have a few items that are part of Dan's file and I was just the same name but wrong document. It was intended to be my letter to Robert.
