Wally, please note that your client already filed a grievance against Ms. Olga-Lovett for communicating with him when he is represented by counsel. Now he is contacting her directly and demanding a response. **Again, please be the attorney and control your client.. I continue to be sympathetic with your conflict, but now you really need to elect whether you want to continue to stamp your approval on this stuff or not.**

Counsel,

Please find the attached Motion to Disqualify or Recuse the Honorable Judge Bonnie Hellums for your review. This email is my attempt to conference with all of you to try resolve the issue without court intervention.

If we are not able to resolve this matter by Noon today, it's my intention to file the Motion to Disqualify or to Recuse the Honorable Judge Bonnie Hellums this afternoon.

If you need any additional information regarding this issue, please contact me directly.
