Ps- attorneys signature is find, however, please stop having dan sign motions and orders as if he had a license. It is not right to selectively choose when dan's signature is required/acceptable and I understand ms. lovetts concerns (since orders are what the fuss is all about--)

Everyone,  
Here is a proposed order for the Judge to sign. Please give me your input. It is my understanding the order needs to be submitted before a new assignment will occur. If this is acceptable I would ask that the order be submitted as soon as possible.
