Subject: RE: Re:

Wally

Are you saying you are unaware of the motion filed by Mr. Gawlikowski yesterday asking the Court to refer Mo, my son, and myself to the State Bar?

If you are unaware then I suggest you take immediate steps to investigate. If you are aware what do you think is your responsibility under Rule 13?

The allegations are false. You know it. You can not hide behind Mr. Gawlikowski to skirt our own duties.

Must I remind everyone that

you were sanctioned \$5000 and your client \$45,000 for both your and his behavior?
