Subject: Re: Dan's Response to Robert Kuehm and Wendy Burgower

Wally I will not be communicating with dan unless it has to do with brisa. This is ongoing and will stop. I have deleted his self serving non responsive dribble. He has no law license and his lay person's interpretation of the disciplinary rules is of no interest to me. Every type of such communication is not relevant nor helpful. Please make sure YOU are the ATTORNEY in charge. Since his babble has NOTHING to do with his daughter it is deleted
